Roadside Assistance Conditions and Exclusions:

- All service operators providing service are independent contractors and are not employees of BMW Roadside Assistance. Therefore, BMW Roadside Assistance cannot and does not assume any liability or responsibility for any loss or damage to your BMW, or your personal property resulting from the rendering of such service.
- Any loss or damage is the sole responsibility of the servicing facility and should be reported to the proprietor of the facility and your own insurance company within twenty-four hours and prior to repair being carried out.
- Only originals or copies of receipts submitted by you will be accepted for consideration for reimbursement. Originals will be returned upon request.
- Any fraudulent alterations on bills for service will render them invalid for claims reimbursement.
- BMW Roadside Assistance reserves the right to decline any claims presented for payment later than thirty days from the date the service was performed and/or to discontinue providing services if, in the opinion of BMW Roadside Assistance, there is abuse of the services.
- Benefits will not be provided where there is any indication, at the time of traffic accident or incident, of your consumption of alcoholic beverages or narcotics, or where you are not in possession of a valid licence to operate a vehicle or when your licence is under suspension.
- Benefits will not be provided while a vehicle is not covered by public liability and property damage automobile insurance.
- Benefits will not be provided in the event that charges are attributed to a traffic accident or traffic violation that occurred while you were committing or attempting to commit a criminal offence.

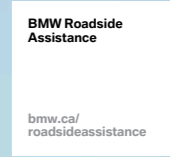

Your BMW is constructed with unique materials such as aluminum and high-strength steel making it vital to repair it the right way, regardless of accident severity. Repairing your vehicle at a Certified Collision Repair Centre (CCRC) means you will receive:

- Facilities equipped with the latest tools and technology, including electronic 3-D vehicle measurement.
- Technicians with the skills and training which meet BMW standards for repairs.
- Peace of mind knowing your BMW is being repaired to its original safety specifications.
- Repairs are guaranteed for as long as you own your BMW.
- BMW Certificate of Repair.

Call the BMW Accident Management Hotline at **1-800-267-8BMW (269)** to report your accident and locate the nearest BMW CCRC or visit bmwccrc.ca for more information.
